Aloha! My name is Todd Slepian, and I'm running for the KCC board. This club has given me so much, I'd like to give back and help it to continue to grow.

I started as a recreational paddler in 2025, and this past season began racing for the Club, so I've experienced it from both the recreational and the competitive sides. I've also done a lot of volunteer work directly for the club (like our most recent Cleanup Dive) and at other outside KCC supported events (like Ironman).

Recently retired, I was Senior Producer/Game Designer with 25+ years of experience leading teams and delivering complex projects. I've managed schedules, budgets, vendor relationships, mentored team members, and solved problems before they turned into crises.

I'm very comfortable with technology and the tools that keep teams organized and communicate well, which is why I'm interested, if elected, in being the Race Manager.

I can bring those same organization skills, clear communication, and hands-on work ethic to the board that I delivered throughout my working career.

I'd be honored to have your vote.

Mahalo!
