Vernon Bieraugel will be running for the office of President, Keauhou Canoe Club for 2027.

I have been past Treasurer, At-Large Board member, Athletic Director for 2026, Keiki coach in 2025, various committees over time. Have been an active member of Keauhou for over 20 years. Involved in the racing program the entire time and have been involved often in recreational paddles and activities. I believe that I have the experience, historical knowledge, and temperament to be the President of the Club.

Sincerely, Vern
