Aloha My name is Dave Yamagata, the Wahine Coach, and I’m running for Board member of Keauhou Canoe Club. I have been on the board for a few years as a member at large and most recently as Vice President. I’ve been around paddling my whole life. I know a lot of people in the paddling community and have extensive knowledge of this club, its history and I want to continue to grow the racing program and get more medals next year!
