Aloha, I am Suzanne Jarvinen. I would like to be elected to the Keauhou Canoe Club board in the position of Vice President.

This summer I had the opportunity to join the board due to a member departure. I have learned much and hope to be able to contribute more to the club.
I have been with KCC for over 15 years, starting as a rec paddler, then joining the racing team. The folks in the club are like ohana, many working hard to keep the club fun. I feel it's time for me to give back to the community I have enjoyed for so long. Thank you for considering me.
