Guest Paddle Program

Keauhou Canoe Club offers members who have been with the club for at least 6 months the opportunity to bring up to three guests per calendar year.

Each guest may come up to three times per calendar year.

A waiver must be signed for every paddle session. The waiver must be filled out completely, legibly, and include the sponsoring member's name.

This program is for **'OHANA**: family, friends, and fellow paddlers. It is not for strangers or tourists. You must know your guest and their physical abilities.

To bring a guest, you must **contact the Beach Coordinator for the paddle session you wish to attend at least 24 hours in advance for approval.**

- Please show up with your guest at the earliest check-in time so you can get them a paddle, explain the stroke, explain changeover, and explain what is expected, including paddling the entire time.
- You are responsible for your guests. Stay with your guest throughout canoe launch and landing, guiding them the entire time.
- Guests must be in the same canoe as the sponsoring member.
- Experienced outrigger canoe paddlers may go in an OC-6 with their sponsoring member if space is available.

KCC may sponsor fellow paddlers from other clubs under the same guidelines. For more information email contactkeauhoucanoecub@gmail.com.

Members who do not follow these rules will no longer be permitted to bring guests.
